You just open Tapa and it shows all the available information. Nonsens2 Wrote: Here's mine: Thank you very much... I'll try it on my device... Oh how! Well, then I can advise the best. Click on "Menu" in the upper right corner of the screen and at the end of the menu click on the Tapa icon. In the window that opens, you will see all the information on your device, starting from the installed kernel version and ending with the battery status. device... But there is one more question. How can I upload all the files I have in the gallery to the gallery on the server? If I upload to the server, then all files will be automatically saved in the gallery... (07-24-2019, 21:52)Nonsens2 Posted: Here's mine: Thank you very much... I'll try with my device...
